Good Morning Summit Families:

IMPORTANT INFORMATION ABOUT LUNCH AND BREAKFAST PICK UP TOMORROW:

- Pick up time for our first meal distribution tomorrow, Wednesday, March 18, is from 11:00 a.m. to 12:00 p.m.
- Please stay in your car. Someone will come to your car or we will create a drive-up line.
- Open your window and tell the staff person how many students need meals.
- Remain in your car while staff goes to get your meals
- A staff person will bring the meals to you.
- Open your trunk or back doors to put the food in your vehicle.
- This is our first attempt to provide this service. We are creating a process at each location tomorrow and know that there will be some challenges.
- Please be patient. Remember we are all supporting each other.
- An administrator will be at each location
- Remember, we are estimating the number of families that will pick up meals. If it appears we are not going to be able to provide 7 breakfasts/lunches for each child, we will offer less AND we will schedule another pick up day this week.
- **Remember the state has indicated that families can pick up school lunch and breakfast at ANY school in the state that is distributing meals. If it is easier to pick up at the closest district to you, you can do that.**
