

Hello Summit Families:

It was such a delight to see so many families and students today. I am happy to share that we were able to serve over 6,000 meals. We are all grateful for the patience and support from everyone who came to pick up food. A huge thanks to our paraprofessionals, lunch staff and many other volunteers who came together today to help distribute meals. Every serving point varied in the number of families who came for food and as a result depending on which location you came to; you may have gotten different amounts of food. It is very difficult to estimate the number of families that will come to pick up food, and we are doing our best so that we can be consistent. We absolutely want to be sure that all our families have enough breakfast and lunch to carry them through until Monday.

As a result, we are going to be distributing breakfasts and lunches this coming Friday, March 20 at Summit Academy North High School, 18601 Middlebelt, Romulus and Summit Academy 30100 Olmstead, Flat Rock from 9:00 a.m. to 10:00 a.m.

Next week's food delivery dates will be on Monday, March 23 and Wednesday, March 25 from 11:00 a.m. to 12:00 p.m. We will only be distributing meals at Summit Academy North High School and Summit Academy in Flat Rock. We will no longer be distributing at the bus hubs. Also, we are no longer permitting any students to come into the buildings. This is for everyone's safety. The buildings are being scrubbed from top to bottom and we want to keep them completely sanitized. Our maintenance staff has been working non-stop, and we are grateful for their hard work.

IF YOU NEED ASSISTANCE finding a location that distributes closer to your home to pick up meals, try this: If you are unable to find a location close to you the state has a 2-1-1 service that provides referrals to programs in Wayne, Oakland, Macomb, Washtenaw, Monroe and Lapeer counties. If you need help finding resources in your area, dial 2-1-1 or live chat to speak to a representative now. Or, search the online database to access more than 30,000 different statewide programs and services. If you experience problems dialing 2-1-1, dial 1-800-552-1183.

The following website identifies ALL locations in Wayne County that are distributing meals. You should be able to go to any location to pick up meals.

As always, if you have any questions or concerns, please don't hesitate to email. We are all working from home right now so email is the best way to reach me. There is still so much that we don't know. I can assure you, as we learn more, I will keep you informed to the best of my ability.

Everyone should have received the email regarding school work by now. A huge thanks to our teachers for supporting our students from home during our closure. Many families that didn't have access to printers or internet picked up hard copies at the schools today. We have mailed packets to others who made requests. Thank you the administrative assistants for all of their hard work organizing, copying and mailing the work. Please encourage your student to stay

engaged. This is also a great time to teach some of those life-skills that we often don't have time for. Be safe and take care of your families. #SummitStrong

Warmest regards,

LEANN
